WORK EXPERIENCE

Full Stack Developer — Dealpost Private Limited, Coimbatore, Tamil Nadu *Jul 2026 – Present*

- Deliver client digital proposals, website builds, and hosting/domain management across multiple active accounts.
- Registered domains, migrated projects to production servers, and completed SEO setup for client sites (e.g. karikalam.in).
- Own ongoing maintenance and updates for client websites, coordinating directly with clients on requirements and deliverables.
- Built a full-stack hotel booking and operations platform (React/TypeScript, Express, MongoDB) as part of a client digital-transformation engagement.

Software Development Engineer — SearchFirst Technologies Pvt. Ltd., Erode, Tamil Nadu *Jan 2025 – Jun 2026*

Part-time during academic semesters; full-time during academic breaks

- Sole developer of the Tamil Nadu Govt. DOTE Admissions Portal (tnpoly.in) — Node.js, Express.js, MySQL REST APIs serving 50,000+ students; achieved 40% latency reduction and 99.9% uptime.
- Performed full server lifecycle management: Ubuntu OS installation, Nginx reverse proxy, PM2, UFW firewall, SSL/TLS certificates, and high-level server alert systems.
- Engineered 3-tier RBAC with server-side gender and hostel-based college filtering — cut admin workload by 60% and eliminated 100% of manual eligibility screening.
- Integrated CCAvenue payment gateway across 100+ institutions for fully digital fee collection.
- Optimised RESTful APIs and database schemas across 5+ production applications — consistent 35–40% improvement in query execution time.
- Developed SaaS ERP modules for pharmacy colleges, schools, and engineering colleges — covering academics, examinations, HR/payroll, LMS, NAAC/PCI compliance, and finance.

Software Developer — ERP Development Team Lead, Nandha Engineering College, Erode, Tamil Nadu
Jan 2025 – Jan 2026

Part-time academic engagement, concurrent with SearchFirst role; 1-year certified commercial engagement

- Led development and maintenance of Campus ERP (PHP, SQL Server, JavaScript, Bootstrap) serving 1,000+ students — attendance, academics, fee management, and reporting modules.
- Managed a team of junior developers, mentoring on full-stack architecture, database design, and deployment best practices.

Web Development with AI Intern — SHENai Private Software Solutions, Erode *Jun 2025 – Jul 2025*

- Built and deployed AI-integrated web applications; contributed to production releases within tight deadlines.

UI/UX Design Intern — SHENai Private Software Solutions, Erode *Aug 2024 – Sep 2024*

- Designed and prototyped 3+ client-facing UI modules, improving UI responsiveness by 30%; gathered client requirements and shipped iterative releases.
